

EXECUTIVE DEPARTMENT

EXECUTIVE ORDER NO. KBB 2006 - 17

STATEWIDE INTEROPERABLE COMMUNICATION SYSTEM EXECUTIVE COMMITTEE

- WHEREAS,** the state of Louisiana presently operates a statewide analog wireless communication system which was installed in 1996 for voice communication and is presently used by approximately seventy (70) agencies with ten thousand (10,000) subscribed users;
- WHEREAS,** since September 11, 2001, interoperability of voice, data, and imagery communications with emergency service agencies is of paramount importance, and the current communication system expansion is severely limited;
- WHEREAS,** the necessity of reliable communications and interoperability for first responders was demonstrated in the aftermath of Hurricanes Katrina and Rita; and
- WHEREAS,** the citizens of the state of Louisiana will best be served by a statewide interoperable communication system executive committee which shall develop an inter-disciplinary approach among all levels of government to provide reliable communications for the entire emergency response community within the state;

NOW THEREFORE I, KATHLEEN BABINEAUX BLANCO, Governor of the state of Louisiana, by virtue of the authority vested by the Constitution and laws of the state of Louisiana, do hereby order and direct as follows:

SECTION 1: The Statewide Interoperable Communication System Executive Committee (hereafter "Committee") is hereby established within the executive department, Office of the Governor.

- SECTION 2:** The duties of the Committee shall include, but are not limited to, the following:
- A. Design, construct, administer, and maintain a statewide shared communication system with capacity to transport voice, data, and imagery within the system;
 - B. Develop and approve system design, system testing, and implementation plan;
 - C. Establish policies and secure funds for the system operation, administration, and maintenance;
 - D. Establish policies for acquisition, allocation, and management of system resources and future use of the voice, data, and imagery capabilities;
 - E. Establish policies for system admission and use of the voice, data, and imagery capabilities; and
 - F. Enter into legal contracts consistent with the purposes of this Order.

SECTION 3: The Committee shall also establish subcommittees to advise the Committee on specific issues. The Committee shall review the recommendations of the subcommittees.

SECTION 4: The Committee shall submit a written comprehensive report to the governor, by March 1 of each year, which addresses the issues set forth in Section 2 of this Order.

SECTION 5:

- A. Each Office of Homeland Security and Emergency Preparedness Region shall establish an interoperable communication working group composed of the following members:
 - 1. The director of each Office of Emergency Preparedness Parish Office, or the director’s designee;
